Miss A. & M. Coeys.

July 2nd - 1899.

To

The President and Members of The Faculty.

We the undersigned members of the Senior Class, who volunteered our services to the United States to serve during the Spanish-American War and who have returned to the College to graduate ^{with} our Class, respectfully ask that the portion of work left unfinished by us in the Junior Class be considered in the same way as the work omitted by the Senior Class of last year.

The motive for leaving school was identical in both classes, and as the Senior Class was given ~~pass~~ on all their work without examinations, we feel that it would be nothing more than ~~reasonable~~ that we be

allowed the same privilege.
This however embraces only
our third term junior work,
half of which had been
gone over before we left.

Had we been able to
return at the beginning
of the present session work-
ing of the kind would
have been asked, but the
session being far advanced
we feel that we are justi-
fied in asking the above.

Assuring you of our
appreciation for any favor
shown in the matter, and
feeling that the greatest
justice will be done both
by the President and Faculty.
We are

Very respectfully
